Master Plan

3.0

《2020 年施政報告》宣布「躍動港島南」計劃，旨在將南區打造成為一個充滿活力、魄力、動力，適合工作、居住、創意及消閒玩樂的地區。

我們於 2021 年 8 月制定了首份概念總綱計劃 (1.0 版)，涵蓋「躍動港島南」的重點地區，即黃竹坑、香港仔及鴨脷洲一帶。經持份者參與和適當吸納他們的意見後，我們於 2022 年 3 月公布概念總綱計劃 2.0，並於 2023 年 10 月編製了一份新的快見成效措施單張。概念總綱計劃將不斷演進並不時更新。

The Invigorating Island South (IIS) initiative announced in the 2020 Policy Address aims to develop the Southern District into a place full of vibrancy, vigour and velocity for people to work, live, explore new ideas and have fun.

We formulated the first Conceptual Master Plan (CMP 1.0) covering the IIS focus areas—Wong Chuk Hang (WCH), Aberdeen and Ap Lei Chau (ALC) in August 2021. After engaging stakeholders and incorporating their comments where appropriate, CMP 2.0 was promulgated in March 2022, and an updated leaflet on quick-wins was prepared in October 2023. The CMP is an evolving document which will be updated from time to time.
